Adult shopping converts. At PECash, we realize that adult shopping converts best when your traffic can find what they want and get it at a reasonable price!

Adult shopping doesn't compete with services you already offer. Adding a pop-up free PECash store to your website only increases the profitability of your website and doesn't bleed off traffic to your competitors.

Find out what thousands of other satisfied webmasters already know and start promoting your own branded adult store by linking directly to nearly 50,000 products - all shipped discreetly from our own US warehouse.

PAYOUTS! Because we have been distributing adult products for 40 years, we have the buying power to put more cash into your pockets than any other program! While the industry standard is 10-20% commission for sites that payout for shoppers you have referred, we, as an industry leader, are able to offer our affiliates an incredible 35% off the top of every sale, including re-orders.

Why settle for 15, 20 or even 25% commission from others when you could be making BIG MONEY with PECASH!

Before you join any shopping affiliate program we encourage you to compare prices and commission rates and see where you can make the most money! If a program offers MORE than 35%, look at the price of the merchandise, because if the price of the merchandise is too high, your traffic is not going to buy.

RECURRING COMMISSION ON RE-ORDERS:

Once your customer, always your customer - that's our policy. When your customers click through a PECash banner or text link, your Affiliate ID is assigned to that customer. When the customer places an order your Affiliate ID is recorded into our database with that customer's ID. When that customer places another order (whether by web, phone or fax), you make 35% commission on the re-order too!

COMMISSION ON YOUR WEBMASTER REFERRALS:

Two options are available:

- 1.) Single level 5% commission. When you refer another webmaster to the PECash program you earn 5% on their sales. This option is single level deep.
- 2.) Unlimited multi-level referral commission. When your First Tier sells products, you earn 2.5% of their sales. When your Second Tier sells products you earn 1.25% of their sales. When your Third Tier sells products you earn 0.625% of their sales. In fact, there is no limit to how many Referred Affiliates you can have. Your commission is always 1/2 of the previous Tier no matter how many Referred Affiliates you have or how far downline your Referred Affiliates extend!
